The Compact Buick Club (CBC) organization is made up of individuals dedicated to the preservation of the compact Buick cars manufactured from 1961 through 1963. The purpose of CBC is to help keep these fine little cars operational by sharing known resources for parts, technical information, and providing assistance where possible in restoration projects. CBC also maintains *The Registry* at no cost to the contributors.

Dues are \$12.00 annually. Members also receive a free auto-related advertisement of a maximum 30 words on the club website and the opportunity to participate in CBC activities. MAKE CK. OUT TO: BRUCE ANDREN.
